

GSA 2019

## ANNUAL SCIENTIFIC MEETING

Strength in Age: Harnessing the Power of Networks

NOVEMBER 13–17, 2019  
AUSTIN, TEXAS

# Late Breaker Poster Submissions and Registration Now Open

Share your late breaking research and network with more than 4,000 professionals in gerontology and geriatrics from around the globe.

The Gerontological Society of America (GSA) is the largest and most established interdisciplinary organization devoted to research, education, and practice in the field of aging.

### Why participate in GSA 2019?

- Learn the latest trends and developments in the field of aging with a 360-degree view of aging from an interdisciplinary perspective.
- Discuss your study findings with more than 4,000 attendees from over 40 countries.
- Present your research and have your abstract published in a GSA journal.
- Develop lifelong connections and collaborations through networking events.
- Research presented at previous GSA meetings has been referenced in *The New York Times*, *The Washington Post*, *USA Today*, NBC News, Fox News, the BBC, MSNBC, Reuters, the Associated Press, *Time*, *U.S. News & World Report*, and others—with more than 410 million media impressions!
